## Letter of Admission

Congratulations! You, Zixuan Zhu, date of birth 9 August 2002, Studyinfo learner ID 1.2.246.562.24.25085609074, have been admitted as a master's degree student to Aalto University School of Electrical Engineering study option: Automation and Electrical Engineering, Master of Science (Technology) (2 yrs).

The normative duration of the programme is two years. Your right to study starts on 1 August 2025. The academic year in Aalto University runs from 1 August to 31 July annually.

The study place must be accepted according to the given instructions by 29 April 2025, at 15:00 (UTC +3). If you do not accept the offered study place by the deadline, your study place will be cancelled.

Your acceptance to the university is conditional until certified educational documents are delivered to the Admission Services. Instructions for certified documents are at: <https://www.aalto.fi/en/node/249326/>. See also country-specific document requirements at: <https://www.aalto.fi/node/31226>. As you have applied with an incomplete degree, there are two different deadlines for the certified documents: 15 May 2025 (at 15:00, UTC +3) for the certified copy of transcript of study records (and its official translation, if it is not in English, Finnish or Swedish) and 15 August 2025 (at 15:00, UTC +3) for the certified copy of degree certificate (and its authorised translation, if applicable). The graduation date must be by 31 July 2025. In case the required documents are not received by the deadline, or if you are not able to graduate by the deadline, your conditionally granted study right will be cancelled.

You have not been granted scholarship. Tuition fee is 17000 euros per academic year.

Congratulations on your admission to Aalto University and welcome to join the Aalto community!
